

The Luxury Grade Guidebook

For Rooftop and Outdoor Living Experiences

Check out this collection of some of our favorite luxury rooftop and outdoor living spaces. These places are noteworthy for their expert application of luxury design archetypes.

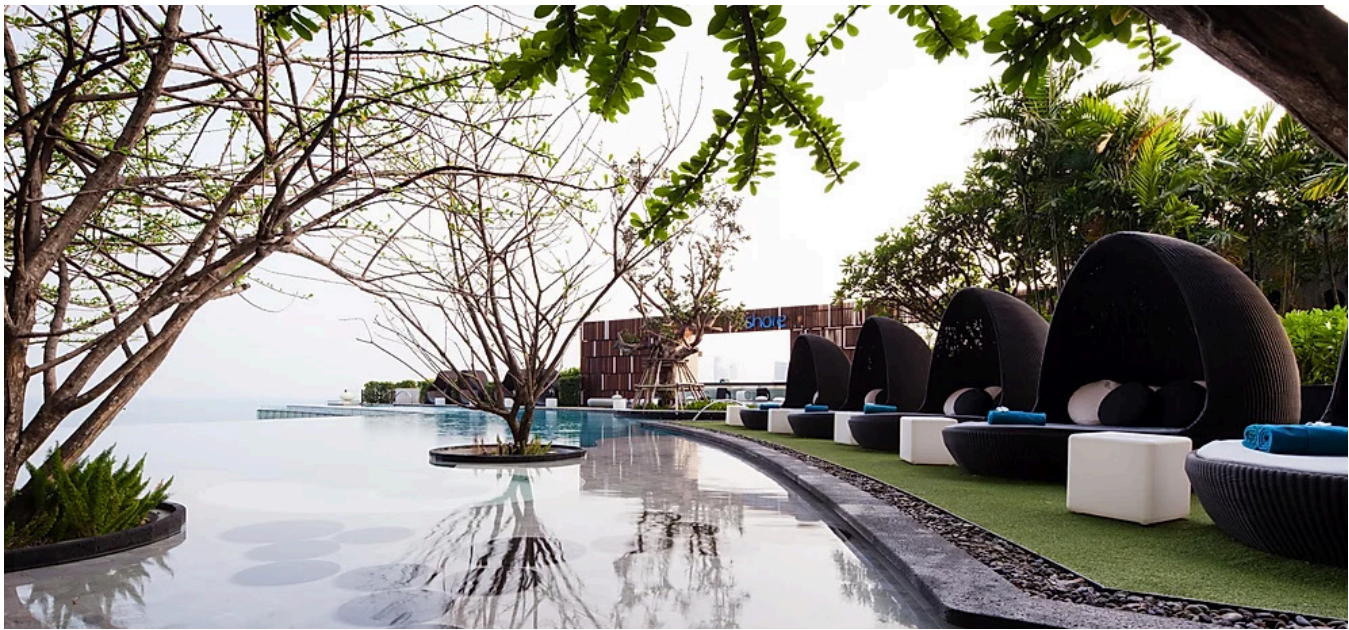

Take note! These are the design moves that will help to make your next luxury project a success.

HILTON PATTAYA

The Hilton Pattaya sun deck and ocean pool, designed by TROP: terrains + open space, utilizes luxury grade design archetypes including:

- A dynamic infinity edge pool
- Lush green plantings
- Branded lounge furniture
- A strong relationship with interior amenity space

AMANGIRI

Amangiri Resort and Spa is located on a unique site in Southern Utah. The architects Marwan Al-Sayed, Wendell Burnette, and Rick Joy collaborated to create this luxurious atmosphere while implementing the following luxury design archetypes:

- A dynamic infinity edge pool
- Captivating views
- Contextual and minimalistic details
- A strong relationship with interior amenity space

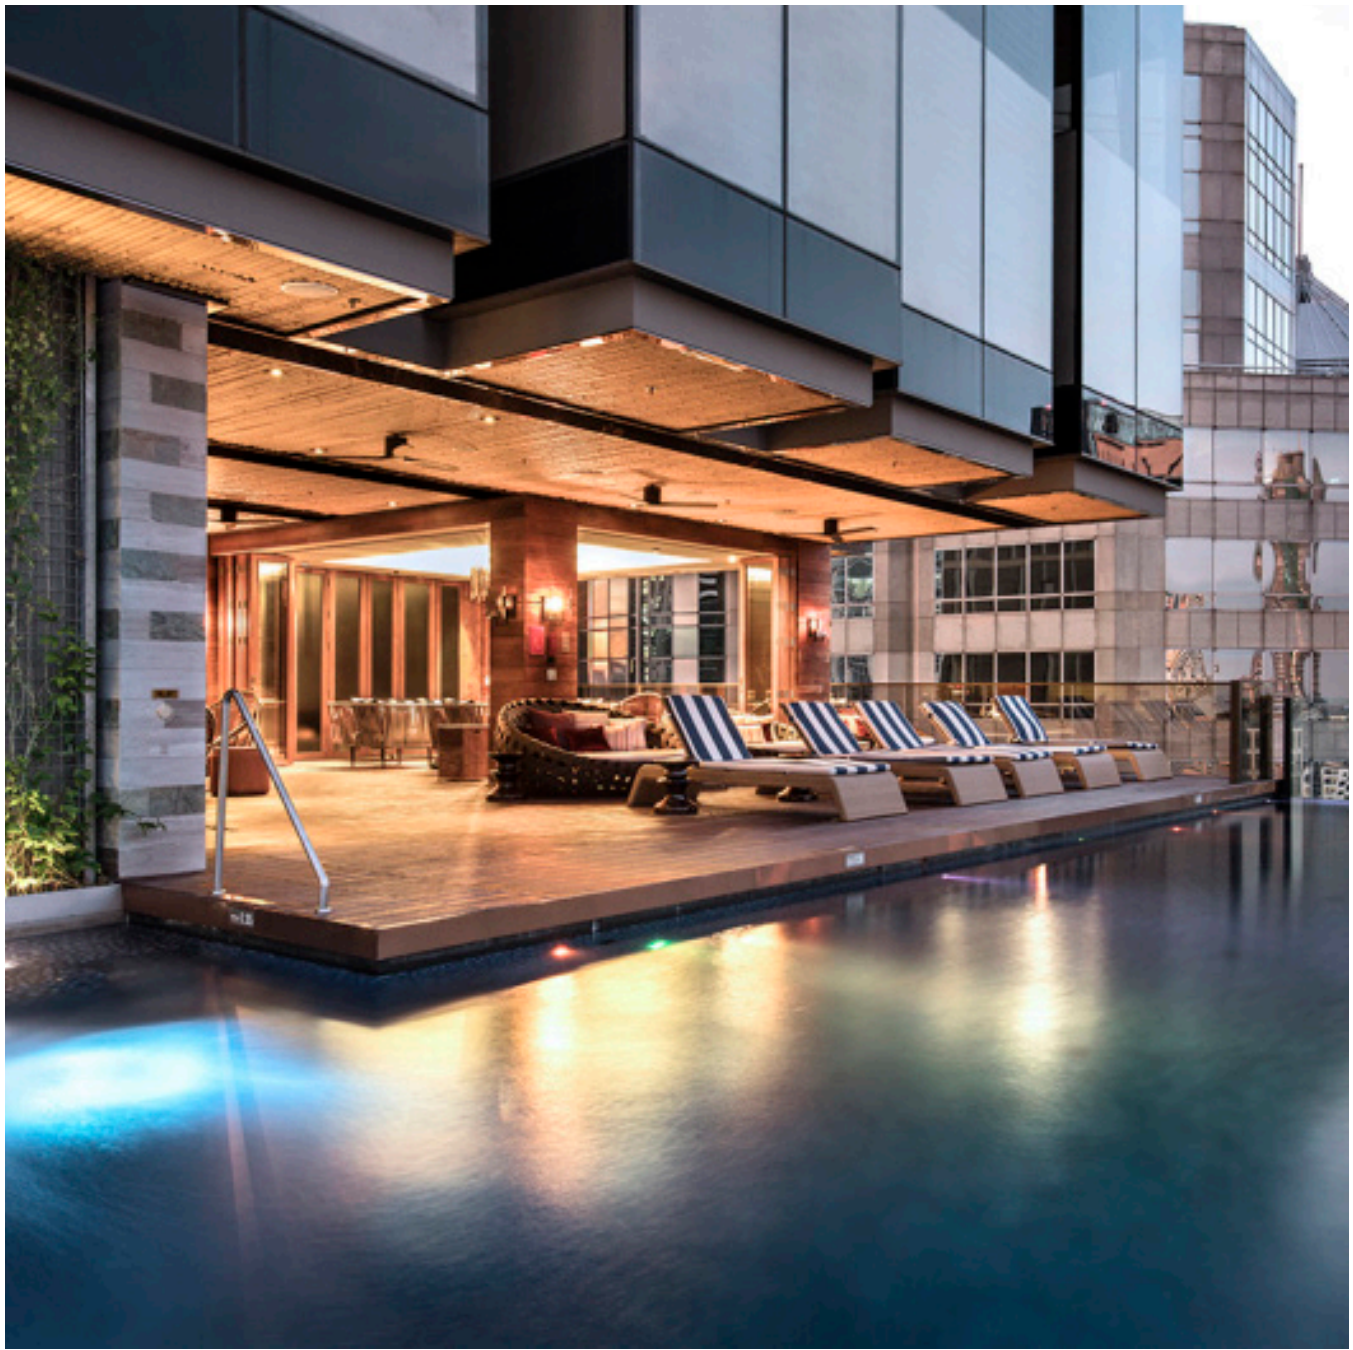

INDIGO HOTEL BANGKOK

The Indigo Hotel rooftop in Bangkok, designed by L49, applies luxury design archetypes including the following:

- An infinity edge pool
- Captivating views
- Lush green plantings
- Branded lounge furniture
- A strong relationship with interior amenity space

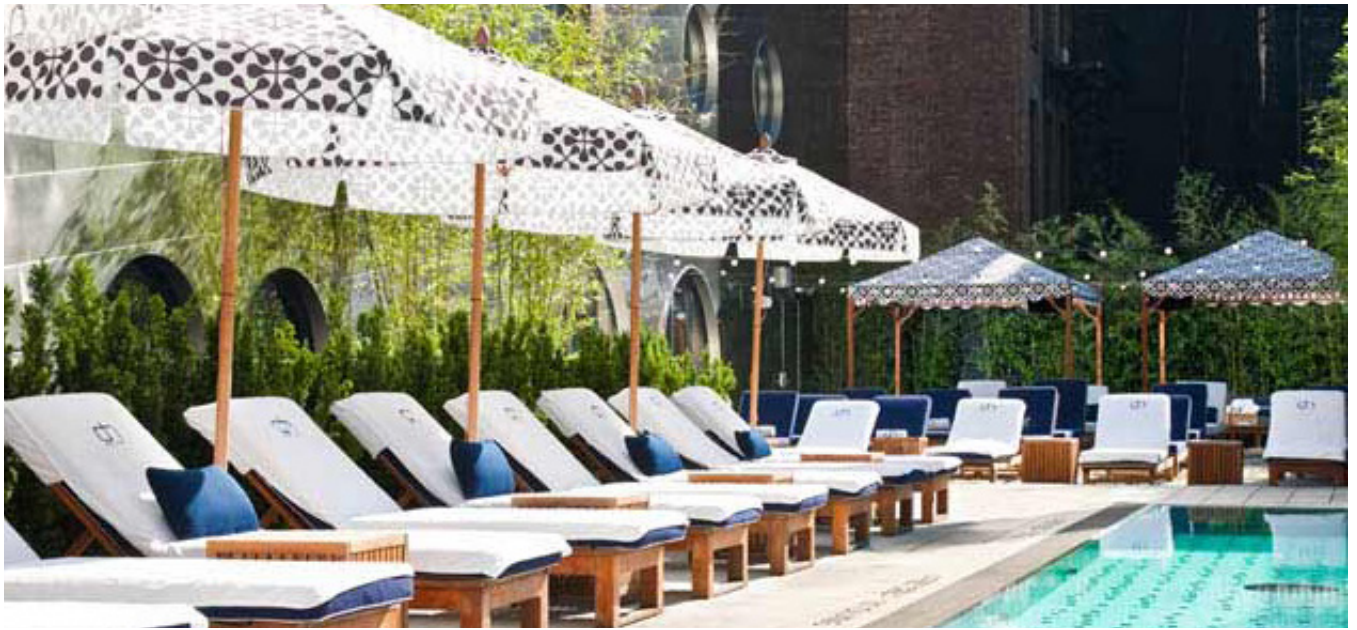

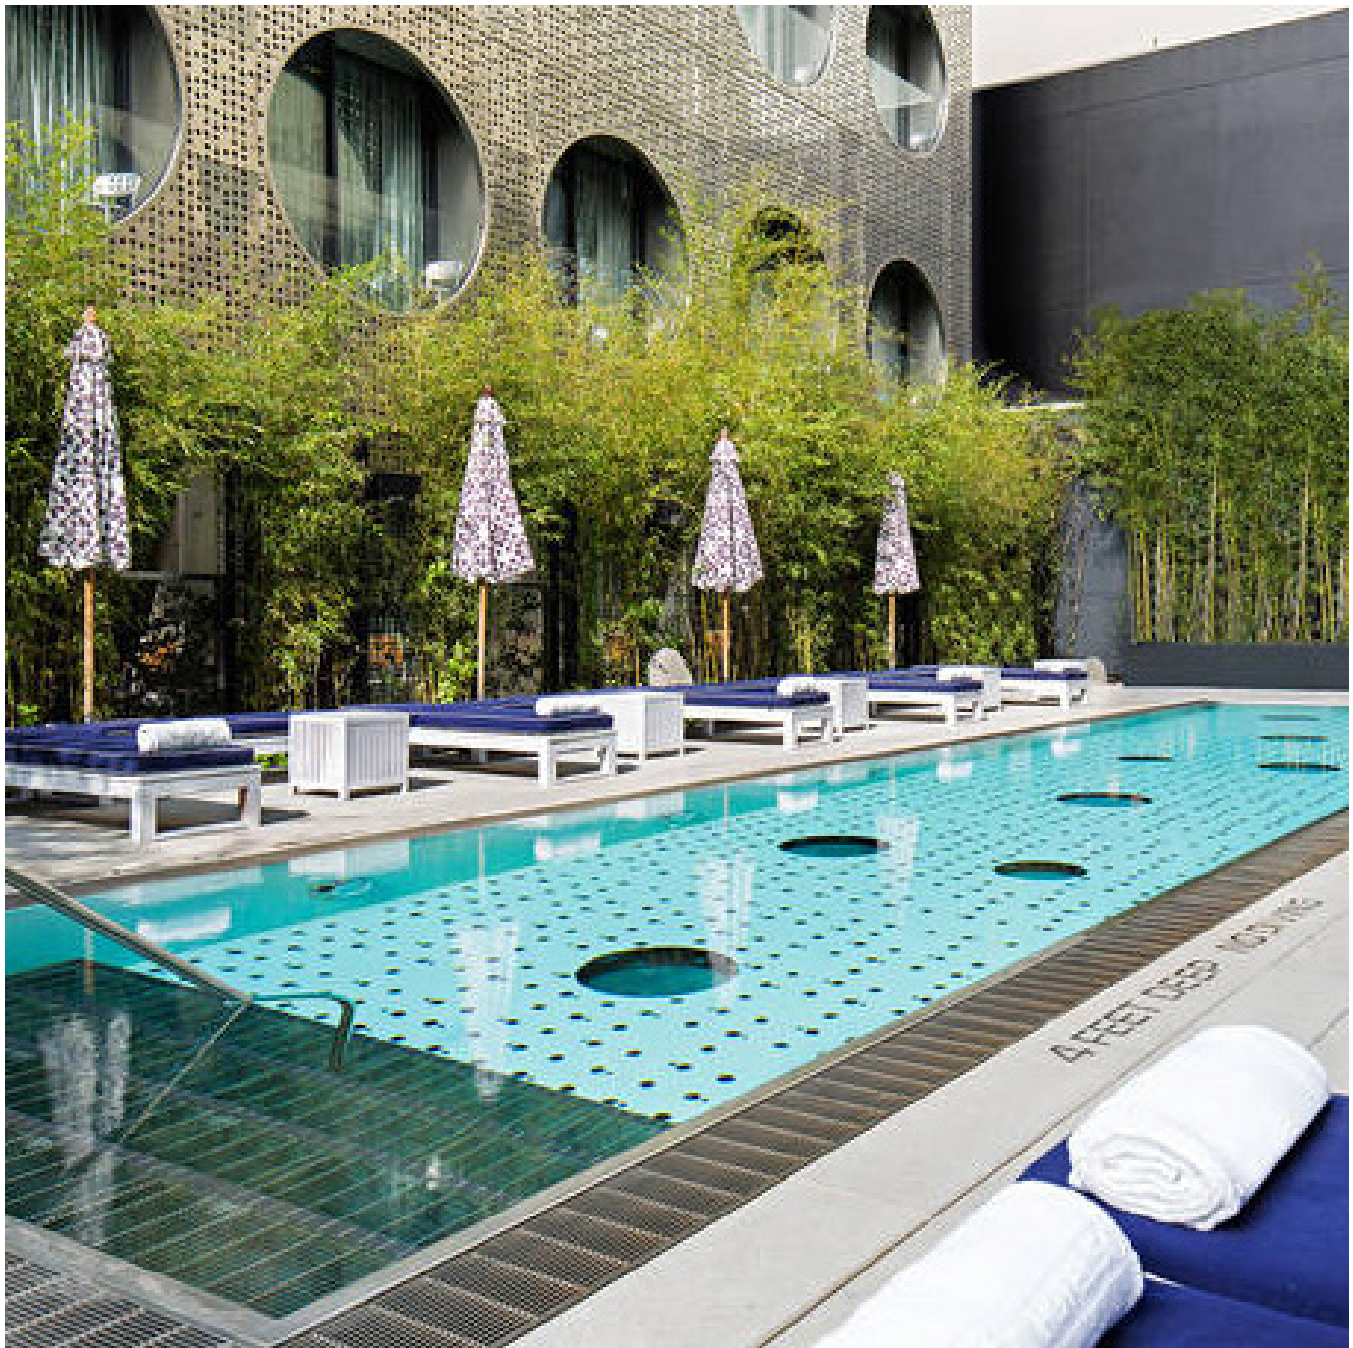

DREAM HOTEL NYC

The Dream Hotel in downtown New York City, designed by Handel Architects, utilizes luxury grade design archetypes in the outdoor amenities including:

- A glass bottom pool skylight
- Lush green plantings
- Branded lounge furniture
- A strong relationship with interior amenity space
